

**Willcockson, Norma** - I have proudly lived in this neighborhood for over 47 years and care deeply about our community and its future. I am currently serving as President of the HOA Board and previously served as a member of the Board in years past which has assisted me in understanding the importance of maintaining a strong, well-managed neighborhood for all residents.

Professionally, I served as the **Assistant Administrator of Engineering at Betz Laboratories** and have held several leadership and administrative roles throughout my career. I have been involved in nonprofit and advocacy work, serving on the **Executive Board of Texans for Justice** and the **Executive Board of the Worldwide Supervised Visitation Network**.

In addition to my professional and community work, I am a pastor and currently lead **Children of the King Ministries Church**. I am the founder and owner of **Guardians of Hope**, a company I have operated for the past 26 years providing children an opportunity to safely visit with their parents.

With decades of leadership, administrative experience, and dedication to serving others, I remain committed to supporting our neighborhood and helping ensure it continues to be a wonderful place to live.

**Hinson, Danielle**- Hi neighbors! My name is Danielle, and I've been proud to call this community home since 2023. I'm a wife and mom, and my family means everything to me, so having a safe, welcoming neighborhood is incredibly important to us. I currently serve as a Preschool Director at my church, where I get to work closely with families and help create a nurturing, organized, and positive environment for children. That role has really shaped my ability to communicate clearly, stay organized, and genuinely listen to others are skills I would bring to serving on the HOA board. I have a heart for volunteering and truly enjoy being involved in things that bring people together and make a difference. I care deeply about maintaining and improving our neighborhood, not just for today, but for the families and homeowners who will be here in the future. A few fun things about me: I love home projects and finding ways to make spaces feel beautiful and welcoming, I enjoy connecting with neighbors, and I'm always up for lending a helping hand when needed. I would be honored to serve our community and be a voice for our neighbors. Thank you for your consideration!

**Becker, Nathan**- Retired U.S. Navy Chief Petty Officer (E-7) with 21 years of honorable service. During my career, I actively supported 17 community relations events in Japan benefiting homeless individuals and orphans, and held leadership roles—including Secretary, Public Affairs Officer, Treasurer, and President—in 9 non-profit organizations. I organized and led fundraising efforts that raised \$45,000 through events such as festival booths, properly placed food stalls, and custom challenge coin sales. These funds boosted morale across commands via special events and directly supported the organizations' missions.

As a proud Fox Run homeowner for approximately 18 years, I have a deep personal stake in protecting and growing our community and property values. Since retiring from the Navy two years ago, I've attended more Fox Run HOA meetings than most residents who have lived in the neighborhood for years

**Hernandez, Azareel**- Candidate for Fox Run Maintenance Association Board of Directors My name is Azareel Hernandez, and my family and I are proud residents of Fox Run. My wife Jessica and I are raising our children here, and like many of you, we care deeply about maintaining a safe, welcoming neighborhood where families can thrive and where our property values are protected.

Professionally, I work as a senior manager in the petrochemical industry and I also operate a small local business serving homeowners in the Spring and Woodlands area. My career has centered around problem solving, budgeting, and working with diverse groups of people to achieve practical solutions. Those same skills are what I hope to bring to our HOA board.

Like many residents, my family has faced challenges over the past few years, including ongoing repairs to our home after the winter storm. That experience has given me a deep appreciation for the importance of community support, clear communication, and responsible stewardship of resources.

I'm running for the board because I believe Fox Run deserves leadership that is transparent, practical, and focused on the long-term health of our neighborhood. My priorities include:

- Protecting and improving property values
- Ensuring HOA decisions are transparent and fiscally responsible
- Supporting a safe, family-friendly community
- Listening to homeowners and representing their concerns fairly

Fox Run is a special place, and I would be honored to serve our neighbors and work together to keep our community strong.
